through line 22 and insert:

- 1 “(1) DEFINITION.—As used in this subsection,
2 the term ‘distributed generation facility’ means an
3 electric power generation facility that serves retail
4 electric consumers at the facility site and intercon-
5 nects with local distribution facilities.
- 6 “(2) INTERCONNECTION.—A local distribution
7 company shall interconnect a distributed generation
8 facility with the local distribution facilities of such
9 company if the distributed generation facility owner
10 complies with the final rule promulgated under para-
11 graph (3) and pays the costs directly related to such
12 interconnection.
